

Nelson County American Legion NET PREAMBLE

4/13/2020

CQ, CQ, CQ for the Nelson County American Legion Radio Club 2 Meter Net. This net meets every Sunday evening at 9:00p.m. on a frequency of 145.470 with a PL tone of 151.4.

This net is a function of the Nelson County American Legion Radio Club, but membership is not necessary to take part in the net. All licensed amateurs are welcome to join in.

My name is Your Name, Callsign and I'm located Your Location, and I'm the Net Control Station for this evening. The purpose of this net is to provide a forum for promoting club activities and for passing along news of interest to the local ham community. At this time I will take checkins from anyone anywhere for the Nelson County American Legion Radio Club 2 Meter Net, please call Your Call.

I invite you to check out the Nelson County American Legion Radio Club website, KB4KY.org and our Facebook page at <http://www.facebook.com/groups/kb4ky>

The Nelson County American Legion Radio Club meets the second Monday of the month at the Bingo Hall/American Legion Post located at 126 Keystone Avenue, at 6:00pm. Everyone is invited to attend.

In the event that this repeater is not available at net time please have a channel programmed in your radio on the output frequency of the repeater of 145.470 simplex. The second fall back channel to have programmed is the Nelson Co. ARES simplex frequency of 146.580. One of these channels will be used for the net in the event the repeater is not operational.

At this time I would like to thank the Nelson County American Legion Radio Club for the use of the repeater and now turn the repeater back to normal amateur use. This is Your Callsign clear.
